

Hidden Greeters

Consider enlisting one or more “hidden greeters” for a class. When a hidden greeter is introduced to a new person on Sunday morning, he or she will know what to do:

- Sit with the guest or new member in Sunday School.
- Introduce the newcomer to current members as they arrive.
- Give a quick, informal orientation on the first Sunday morning.
- Help the newcomer locate the sanctuary, restrooms, and child care facilities.
- The worship service schedule and any special customs of the church also may be explained.
