

Trip Guidelines

- 1. You represent Christ and our church. Everything you do is a reflection on that presentation.*
- 2. Make your dress becoming for a Christian Retreat. Wear things that you would not be ashamed for the Lord to see you wear. There is a time and place for shorts. Please observe those times. No short shorts are allowed.*
- 3. For your safety and health there will be no tobacco of any kind, alcohol, or fireworks allowed.*
- 4. Absolutely, do not go anywhere by yourself. Please understand that this is for your safety.*
- 5. No one will be allowed in the room of a person of the opposite sex without an adult present. Please plan not to be alone with someone of the opposite sex when there are no adults around.*
- 6. Please understand that we are guests in this motel. Please do not do anything that would reflect badly on our church. For example, there will be no shaving cream or water fights.*
- 7. You will be expected to participate in everything that we do on this trip. Please be on time to all activities. There will be people who will be waiting for you if you are late.*
- 8. If you choose to march to the beat of a different drummer on this trip, here is our process of dealing with that:*
 - a. On the first major offense you will call your parents and explain to them what you have done. They will decide whether you can stay on the trip or not.*
 - b. On the next offense you can be assured that we will show you the road home on which you can march at your parents' expense.*
 - c. Please be assured that this is not a guideline we want to enforce, but here is a principle from which we will operate on this trip and all trips we take: "The needs of the many outweigh the needs of a few or the one." (Wrath of Kahn-Star*

Trek II). We can't allow anyone to spoil the trip for anyone else.
