Invitation from the President:

Dear Fellow Librarians,

We have an important conference coming up on March 20 and 21 this year. We will be celebrating the 50th Anniversary of the Alabama Library Organization. I have only been involved in library work for 26 years but we have had wonderful, dedicated leaders since I became involved and some of those leaders are still involved. We are planning on having a special time with some of our previous leaders.

As we look back at our past we must also look to the future of our organization. We have moved the annual conference at Shocco to the spring and also to Friday and Saturday. We will begin classes early on Friday morning and end mid-afternoon on Saturday. But let me assure you that the time will be packed with great information, new ideas, fun, fellowship and a well-known author too! I ask that you make plans NOW to attend this conference.

We want to make an effort to get back in touch with librarians and/or libraries that we have lost contact with the past few years. Many have been unable to attend the annual conference at Shocco due to their schedules. Over the past few years our numbers have dwindled. I have heard from some people that due to the September dates they could not attend. We are praying that many people will be able to return.

There will be a variety of classes with great leaders. Please make time to attend this year's conference. You will return to your libraries encouraged, enthused and determined to make a difference in the ministry in which God has called you to serve. You can better serve your church by working more closely with the other ministries in your church. You can impact your community through outreach opportunities provided by your library ministry. Remember that the library ministry is the perfect ministry to reach the lost, teach the saved, and minister to all because we have great media to share with all who enter our doors.

In service to Christ,
Marty Woodall

PS. If for some reason you are unable to attend this year's conference but are not receiving information about library meetings, please contact Debbie Dickey with your best contact information. Email is actually the easiest and least expensive way to stay in touch and up to date.

Upcoming Events

Email: enhunter@charter.net or
library@cbcdecatur.org

Reminders for State Workshop

Each library and association represented is asked to *please **bring a wrapped gift*** to be used as a door prize.

Mini-Displays are needed!

Mini-Displays create an interesting atmosphere and give new ideas to attendees. Each church is encouraged to bring at least one display with your own table/stand.
