

Bible Translation Information

For the 2018-2019 Drill Blue Cycle:

King James Version (2014)
English Standard Version
Christian Standard Bible

Please note: after the 2017-2018 cycle the King James (1973) and Holman Christian Standard Bible (2011) will no longer be used for Bible Drills in Alabama.

Unless there are unforeseen changes, we expect the Bible Translations used for the 2018-2019 cycle will remain the translations used in years following.
