

Member Survey

The Following is a simple and short survey that can be used to gain insight from church members and regular attendees. This is not based on any research or database but is solely intended to allow church leaders to get a glimpse into the thoughts and actions of church members. The information gained from this survey can be of assistance in the face to face summit with reality and should be used in developing future plans and strategies for moving the church forward in spiritual growth.

Answer the following using a scale of 1-5 (one (1) being low and five (5) being the highest extreme) as they pertain to you individually. Place an X through the number you choose.

1. Worship services are inspiring experiences.	1	2	3	4	5
