

## Pastor's Introspection

1. When you think of leading change in your church, what personal challenges do you anticipate?

---

---

2. What other challenges do you consider in regards to leading your church in change?

---

---

3. Where would you place your commitment level to leading change in this church?

---

---

4. What might prevent you from considering a process of change in your church?

---

---

5. How will you work to overcome the challenges you have listed?

---

---

6. What could be done at this time to increase the awareness and sense of discontent with the current situation of your church?
