Ministry Title:	Planter Search Committee Training
Description:	This presentation is designed to train a search team who is looking for a planter to lead the proposed church plant in what to look for and how to go about the process. This training is very similar to pastor search committee training which is covered by another team in the Leadercare and Church Health Office. But there are unique nuances in searching for a church planter. This training is especially suited for a church that is sensing God's leadership to mother church plant and would like to be trained in how to find the lead planter. It is also appropriate for a group that feels called to plant, but has no planter among them at the time.

Ministry Title:	Using the Sunday School to Reach College Students
Description:	What does it take to reach college students? What are they looking for in a church and/or Sunday School? Are there certain elements that are vital in reaching and keeping college students? These are a few of the questions that will be dealt with in this conference. College students will not come just because we offer a class. We must intentionally reach out to them. This conference is designed for those that are presently working with college students and those that may be interested in working with college students. The length of this conference is 1½ hours. Please provide location and physical address for this event. Target audience is Pastors, Staff, and leaders of college students and/or those interested in working with college students.
