There are 3 new IRS forms

1. W-4 New Form to work with standard deduction, child credit and lack of deductions for most Americans
2. 941. Added lines for new FMLA, Credits for keeping employees on the job, etc.
3. 1099 NEC – Non Employee Compensation.
Do not use 1099-MISC

New W-4 form for 2020-21

- ▶ Here are the instructions and form
<https://www.irs.gov/pub/irs-pdf/fw4.pdf>
- ▶ For most people, there are really only 3 considerations
 1. Filing status, married filing jointly, filing separately, head of household or single
 2. Standard deduction
 3. Child tax credits
- ▶ **Simple for the employee. Complete Step 1 personal information and filing status and Step 5 Signature. The rest is optional.**

New W-4 form for 2020-21

- ▶ Step 1. Personal Information and filing status
- ▶ Step 2. Multiple jobs. (Married filing jointly for example). The employee can simply check the box. This will claim half of the standard deduction for each spouse and both are instructed to check the same box. This is the easiest answer. On page 7 of the instructions, Married filing jointly will claim the full \$25k or with box checked will claim about \$12.5k. Getting this wrong will cause severe underpayment of tax!
- ▶ Step 3. Child Tax Credits – each child under 17
- ▶ Step 4. Adjustments for extra deductions or for extra withholding
- ▶ Step 5. Sign and date

Reporting for the Bivo Pastor

- ▶ Can all my income be in housing? Yes, if that is appropriate for your situation.
- ▶ Is there a limit to housing? No percentage, can be up to 100% if appropriate
- ▶ Should I have 100% in housing? No, have some as taxable so that you may participate in the Church Retirement Plan
- ▶ If 100% is housing, do I need a W-2. No. A memo on church letterhead
- ▶ If I have some taxable income, do I receive a W-2 or a 1099? W-2. Pages 108-109

What other forms are needed?

1. If the pastor is the only employee and has only housing, **no additional IRS forms** are required. Memo statement for housing.
2. If the pastor is the only employee & has salary and housing
Only a W-2 (and W-3, A-3)
3. If there are other employees such as a secretary
 - a. 941 each quarter and corresponding AL form A-1
 - b. W-2 (not a 1099)
 - c. End of the year forms W-3, A-3

Determine if employee or contract

1. Degree of control employer has over details of the work
2. Which party invests in the facilities used for work?
3. Opportunity the worker has for profit or loss
4. Whether employer has right to discharge the worker
5. Whether the work is part of employer's regular business
6. Permanency of the relationship
7. Relationship the parties think they are creating
8. See Financial Issues, page 7

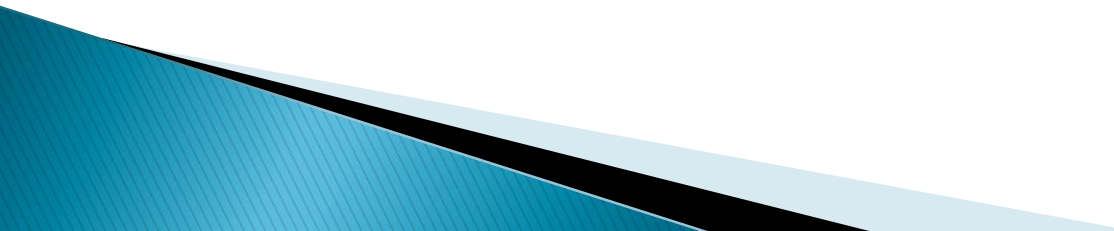

Classification common mistakes

1. Classifying as a contract worker a person who should be an employee
2. If in doubt, the IRS and DOL are both leaning more and more toward classifying as an employee in recent rulings.
3. A person who does 2 jobs at the church will generally be classified as an employee for both unless there is a clear reason to do otherwise. Example: Mary the church pianist also operates Mary's lawn service. The lawn service could be given a 1099.

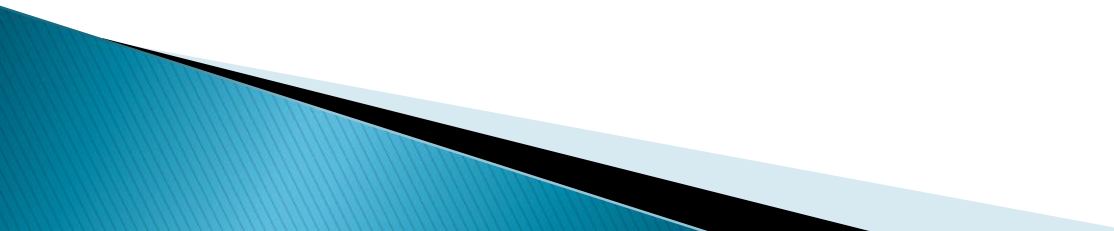

4 Forms needed + E-Verify, p 8

1. **W-4 Federal withholding.** – www.irs.gov
2. **A-4 Alabama Withholding** – www.revenue.alabama.gov
3. **I-9 Immigration Form** – www.uscis.gov/I-9
4. **E-Verify.** USCIS web site at www.uscis.gov/everify or Alabama <http://verify.Alabama.gov>
5. **NH 1 Alabama New Hire Form** – www.dir.alabama.gov/nh

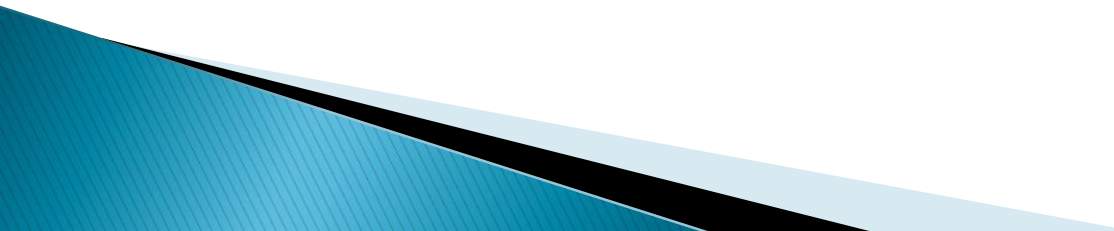

Most common mistakes

1. Failing to do the forms at all – if so, start by completing the first 3 on all current employees. Keep these on file.
 2. Failing to complete the forms on a minister. A minister is an employee in every way except Social Security taxes.
 3. Failure to do E-Verify which is required by Alabama Immigration Law
- 

Is it taxable?

- ▶ “Everything is taxable unless the Internal Revenue Code says that it isn’t.”
 - Frank Sommerville, CPA and attorney
 - ▶ See the chart in Financial Issues, page 18.
 - ▶ **Most Common Mistakes:**
 1. Many are doing business expenses, medical, and benefits incorrectly.
 2. The “package approach” results in more taxable income.
- 

Most common mistakes–taxable

3. Failure to include Bonus and Love offerings. Include on the W-2. Do not do a separate 1099
 4. Failure to include Gift cards from the church as taxable
 5. **Treating as tax free wrong type of health coverage.**
 6. Many churches have health reimbursements especially for ministers. According to our phone calls, 95% are incorrect.
 7. Treating as tax free wrong type of life insurance
- 

Payment of Individual Insurance

- ▶ Health insurance premiums paid by the employer or reimbursed to the employee for individual plans is taxable with some exceptions:
- ▶ Group plans remain a tax free benefit
- ▶ GuideStone remains a tax free benefit
- ▶ **There is an exception for groups fewer than 2 employees**
- ▶ 2 New HRA Provisions
- ▶ See Financial Issues Book, page 16

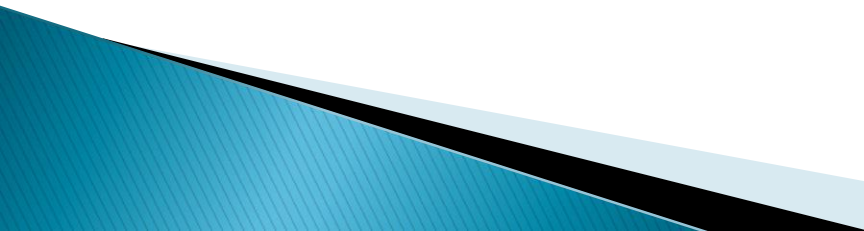

QSE HRA

The Qualified Small Employer HRA is not a group health plan. A QSE HRA is an arrangement offered by an eligible employer that meets the following criteria:

1. The arrangement is funded solely by an eligible employer, and no salary reduction contributions may be made under the arrangement.
2. The arrangement provides, after the employee provides proof of coverage for the payment to, or reimbursement of, an eligible employee for medical care expenses incurred by the employee or the employee's family members
3. The amount of annual payments and reimbursements do not exceed \$5,250 (\$10,600 for family)

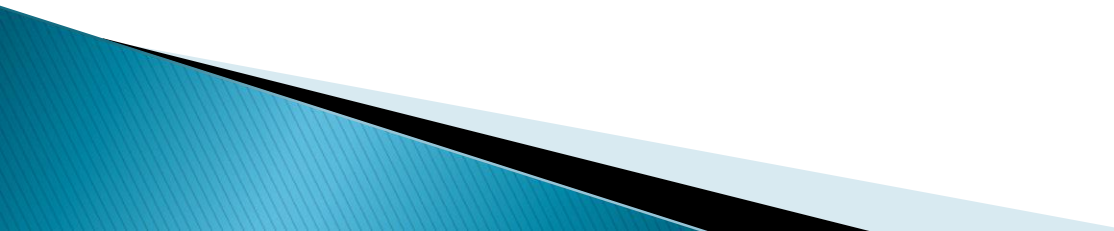

Qualified Small Employer HRA

A QSE HRA meets the following criteria:

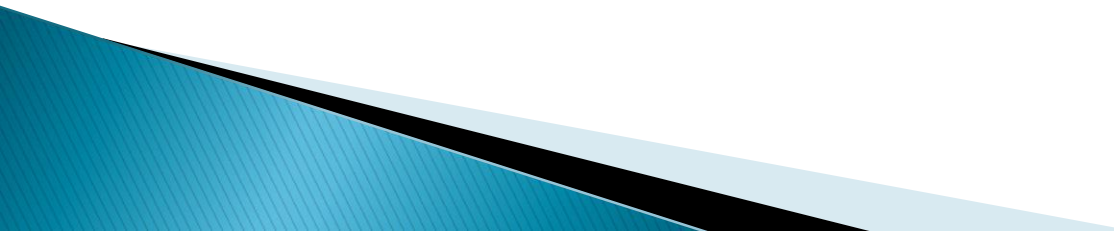

4. The arrangement is provided on the same terms to all eligible employees of the eligible employer.
 5. To be an eligible employer that may offer a QSE HRA, the employer may not be an applicable large employer (ALE) and may not offer a group health plan to any of its employees.
 6. Written plan and 90-day notice required.
- 

Another new HRA for 2020 – ICHRA

An Individual Coverage HRA has more flexibility than a QSEHRA.

- ▶ It may cover individual insurance premiums and out of pocket costs. QSEHRA is only for insurance premium.
 - ▶ It may cover different classes of people – salaried, hourly, full time, part time
 - ▶ Generally tax free except to pay for a Christian sharing ministry plan.
- 

Ministry Assistant Mary Smith

- ▶ Mary Smith serves as the part time ministry assistant for the church. Her salary is \$12,000.
 - ▶ In addition, the church contributes \$1000 to her church retirement plan
 - ▶ Also, through a Salary Reduction Agreement, she contributes \$1000 to her church retirement plan
 - ▶ The church provides \$25K in Group Term Life Insurance (less than \$50K, not taxable)
-
