

Childhood Discipleship Leader S.K.I.L.L. Lesson #4

Options for Childhood Discipleship

Jesus grew in wisdom and in stature and in favor with God and man. Luke 2:52

Choose discipleship options to help your children grow in these ways also.

1. **TeamKid: Step Out** features stories and people in the Bible in chronological order. This curriculum is for children in grades 1-6. Sessions are written for 90 minutes but can easily be adapted to your church needs. The curriculum consists of a **Leader Guide, enhanced CD, children's activity books** and Mission DVD.
2. **TeamKid for Preschool: Look at Me** helps preschoolers and kindergartners learn how to live like God wants them to live. There are 36 meetings plus 7 additional meetings on the enhanced CD. Format can be for 1 hour, 1 ½ hour or 2 hour meetings. Curriculum needs are a **Leader Guide, Activity Book, and EZ Pack**.
3. **Bible Skills, Drills, & Thrills** is available for children in 1st-3rd grades and in 4th-6th grades. During each session the leaders can choose from at least three fun, skill building activities followed by a group time. A second CD Rom also provides computer games to teach and enhance Bible skills. The 4th-6th grade edition helps build strong Bible skills in children and helps them prepare for **association** and **regional** Bible Drill competitions.
4. **I'm a Christian Now!** Guides leaders to conduct a four week new Christian's class for children in grades 1-6. This class helps children understand the decision they made to follow Christ. Some of the topics covered are **baptism, the Lord's Supper, having a quiet time** and **servicing**.
5. **THEO**- a resource which offers rich theological content combined with high entertainment value. Each set includes five 10 minute animated videos and five **printable** teaching plans.
6. **FLYTE**- a resource for Pre-Teens. Each volume includes 13 simple to execute sessions. *FLYTE* is the resource that helps kid's ages 10-12 develop a **Godly worldview** -- combining faith and life.
7. **Bible Teaching for Kids - Grades 1-3 and 4-6**: dated curriculum for churches that **combine** age groups. This curriculum offers flexibility and an easy to use 4-step teaching plan.

Childhood Discipleship Leader S.K.I.L.L. Lesson #4

8. **Bible Foundations - Preschool**: dated curriculum for churches that combines preschoolers. There are flexible teaching plans for teachers of Babies, 1's, 2s, and/or 3's-kindergartens. This curriculum helps build strong foundations for faith, emphasizes Bible study, **missions** awareness, and **discipleship**.

Choose from these great resources as you prayerfully consider how to disciple children.
