*** SPECIAL AWARD ***

Participants at the Regional Drill who have taken part in the Children's Bible Drills for all three years will receive a special award.

TYPES OF DRILLS

- **QUOTATION DRILL** - 6 calls (Bible not used) References are taken from the verses listed on the Bible Drill Verse Card. The caller gives the reference (example: "Genesis 1:31"). If the participant knows the verse, he/she steps forward one step on the call "Start," prepared to quote the verse as it is stated on the Bible Drill Verse Card and to give the reference.
- **COMPLETION DRILL** - 6 calls (Bible not used) All verses used are taken from the verses on the Bible Drill Verse Card. The caller quotes the part of the verse that is underlined. If the participant can complete the verse, he/she steps forward one step on the call "Start," prepared to quote the entire verse and to give the reference.
- **BOOK DRILL** - 6 calls (Bible used) Any book in the Bible may be used. The caller calls a book of the Bible. After the call "Start" is given, the participant finds any page in the book called by the caller, places an index finger on the page, and steps forward, prepared to name the book preceding the one called, the book called, and the book following the one called (example: Call - "Exodus." Response - "Genesis, **Exodus**, Leviticus").
- **KEY PASSAGE DRILL** - 6 calls (Bible used) Only the key passages listed on the Bible Drill Verse Card will be used. The caller gives the title of the key passage. The participant finds this passage, places his/her index finger on any portion of the passage, and steps forward. When called upon, the participant will state the title of the key passage and the reference. The caller will designate one or more verses to be read aloud by the participant. If a key passage is continued on the next page, the participant who is called upon to respond must ask permission to turn the page before continuing to read his/her response.

SCORING

At each level of drilling, children are scored by three judges whose totals are averaged. Judges mark mistakes on a score sheet. Only one mistake may be scored for a child on any single call. The number of correct responses will be reported to the children.

Mistakes are:

1. **Time**
The child fails to step out within 10 seconds.
2. **Response**
The child gives an incorrect response. This includes any child who raises his/her hand, indicating an error.
3. **Behavior**
The child fails to stand straight or keep his/her eyes on the drill caller until the command "Start" is given. The child slides or jumps forward instead of stepping. Any behavior is included that is improper or disturbing in the judges' opinion.
4. **Bible**
The child flips pages carelessly, closes the Bible with unnecessary noise, or obviously misuses the Bible.
5. **Procedure**
The child starts before the command "Start" is given. The Bible is held incorrectly, or fingers are extending over the edges. (Note: The Bible should be parallel to the floor with one hand flat on the top and one hand flat on the bottom with no fingers extending over the edges.) The child steps forward before the index finger is on the correct response during the Book and Key Passage Drills. The child steps back at any time, for any reason, after stepping forward unless the command "Attention" has been given to begin the next call. (Note: This means a child should be confident that he or she is at the intended location of a book or key passage before stepping out. A child cannot step back and then forward again to make a correction.)
