Meet your Leaders for the Bivo Retreat

Ken is pastor of Crossroads Church, Newman, GA. Ken also founded Impact Discipleship Ministries that is focused on building churches that entirely revolved around a Jesus-style strategy for disciple-making. Through their emphasis on Jesus-style discipleship, Crossroads has grown from a church plant in 1989 to over 3,000.

Page Hughes is a Jesus loving party girl. It won't take you long to realize she is born in the south and loves people. She is a writer, speaker, business woman and her favorite job is grandmother to her 10 grand children! Page is married to Dr. Les Hughes, pastor of First Baptist Church Pleasant Grove, Alabama, and the couple have been in ministry together for over 30 years. Page received her education at Mississippi State University and New Orleans Seminary. She has published several books and partners with Les in Meanwhile Ministries. Page's purpose in life is to go to heaven when she dies and take as many people as she can with her.

Andrew Harbison is the worship pastor at New Beginnings Baptist Church. He and his band will be leading our time of worship this weekend.

We want to give a special thanks to our 2020-2022 officers
