

ALABAMA BAPTIST RETIREMENT CENTERS

Through the generosity of the Cooperative Program over the years, we are able to provide a home to over 250 residents at the Alabama Baptist Retirement Centers. Through your help with the Cooperative Program, we have been able to provide an affordable, clean and safe environment with an atmosphere where residents can see Jesus Christ at work every day through the work and attitude of our management and staff.

Yes, our residents come from all walks of life with diverse cultures, life experiences and beliefs, but they all come with a need for a home. We try our best to fulfill both their physical needs for a home and their spiritual needs. And this is where you come in.

Our managers and staff are very creative in providing activities, crafts and games for the residents. However, you can add a whole new dimension by simply coming by and visiting.

It could be you, your church group, Sunday School and certainly a choir group that could share a devotion, worship service or song. Such a visit would be a blessing to you and the residents. So, please take this as an invitation for you and your church to come to one of our locations, either in Dothan, Montgomery or Roanoke and share with the residents.

We are proud of our facilities and our managers and staff. We are blessed with managers and staff that have been with us a very long time and care about people that are aging and have a few needs. Not only do the residents lean on our managers and staff, but so do their family members. God has provided us with a great opportunity, management and staff, that we would love to share with you!

We invite you to contact us for a visit or more information at Alabama Baptist Retirement Centers, PO Box, 681970, Prattville, AL 36068, or call us at 800-264-1225, ext. 274 or 334-613-2274 or our website www.abrc.org.

I look forward to seeing you at one of our centers!

Dwain A. Kinard, Acting President
