

The Alabama Baptist (TAB Media Group)

Thank you for the continued and much appreciated support of The Alabama Baptist newspaper and media ministry, also known as TAB Media Group. Our staff works hard to be good stewards of all its resources and seeks to stay as connected to the heartbeat of Alabama Baptists as possible.

In our conversations with Alabama Baptist church leaders, bivocational pastors and ministry volunteers over the past couple years, we began to see a disconnect. Our churches and ministries were doing excellent and vital work, but the people who needed their help or access to their services weren't being reached. Why?

The church or ministry didn't have a digital presence, or worse — they had an out-of-date digital presence with incorrect information. We at TAB Media have a highly trained staff with the skillset to step into the gap and create a new arm of our ministry, called **Hosted Church**.

Hosted Church seeks to create an environment that will allow more churches to safely grow their web presence in the 21st century. **Hosted Church** is dedicated to helping small- to medium-sized churches, small businesses and nonprofits, and individual authors and other leaders with their digital platform needs.

We've structured this ministry so you can spend as little as \$25 a month for a quality website, and you have the TAB Media team to help keep your site current as your events and needs change.

If your church, business or ministry needs a new or updated web presence, we would be honored to come alongside you and help you flourish in a digital age. Simply email dwalsh@tabmedia.group, call 205-777-6308 or visit hostedchurch.com for more information.

Your support and personal engagement with the various platforms available through TAB Media Group and The Alabama Baptist newspaper truly makes us a better team as we strive to serve our Lord and each of you with excellence.
