

THE BAPTIST FOUNDATION OF ALABAMA

2022 Report to the Associations

The Board of Directors and staff of The Baptist Foundation of Alabama (The Foundation) are pleased to present this report to the associations of the Alabama Baptist State Convention. Since 1940, The Foundation has helped Alabama Baptist churches *thrive* financially. We believe ministry shouldn't be limited by money, but we know that too often, it is. This is where The Foundation comes in. Through our services, we can help churches unlock MORE resources to do MORE ministry across the state and around the world:

Legacy Launch – Many church members' estate plans don't represent their faith. The Foundation helps Alabama Baptists create plans that ensure they continue supporting the causes they care about, even after they step into heaven.

Kingdom Impact Investing – Too many churches are earning almost nothing on their cash reserves. Our ministry-minded investment funds seek to create a return so your churches can thrive for decades to come.

Church Loans – Borrowing for church growth needs doesn't have to be stressful. Let us show your churches how we can deliver a cost-efficient and hassle-free loan process, while the interest from your loan is poured back into Kingdom causes.

GiveThree65 – As church members' spending and banking becomes more electronic, their giving should too. By offering multiple ways to tithe through our online giving platform, churches can empower their members to give when it is most convenient for them.

Educational Scholarships – As the culture around us becomes less and less Christian, the need for well-educated Alabama Baptists to live out their faith in ministry or in the marketplace has never been greater. Our scholarships propel today's college, university, and seminary students to become tomorrow's Christian leaders.

Vision Campaigns – Not sure how your churches will pay for a capital project the Lord has called you to pursue? Our capital campaign coaching allows your congregation to give beyond their regular tithe to fund expansion projects that help your church do more ministry.
