

FAMILY MINISTRY

The Alabama Baptist State Board of Missions Office of Sunday School & Discipleship is willing to partner with our association to emphasize family ministry, which includes senior adult ministry and single adult ministry. The goal is to help families in their role as disciple makers. As families grow in discipleship, our churches, communities and association will be impacted for Jesus Christ.

The Office of Sunday School & Discipleship will work with associations and churches to meet the needs of families. As leadership training is offered in the association, we develop our strategy for reaching families, senior adults and single adults for Christ. As we mature in our faith, we learn ways to meet the needs in these groups within our churches and communities. As we lift up the name of Jesus, we let others see the difference He makes in our lives.

I would like to thank the Family Ministry team in the association. They volunteer their time to encourage and equip churches in family, single adult and senior adult ministry. If we can be of help to you, please call on us anytime.

A special word of thanks goes to our Associational Missionary. He is a key member of our strategy team to grow strong families and, therefore, strong churches.

Call on us when we can help you.

Respectfully submitted,

Associational Family Ministry Director
