

SUNDAY SCHOOL

The Alabama Baptist State Board of Missions Office of Sunday School & Discipleship is willing to partner with our association to emphasize working with groups and group members to build a Sunday School that focuses on the One Mission: The Great Commission. The ultimate goal of each group is to connect non-believers to Christ, connect everyone to a Community of believers, connect believers to the Commission to make disciples who will make disciples.

The Sunday School provides Bible teaching for all age groups. Each church is encouraged to multiply their ministries by starting at least one new group that will seek to reach out to the unchurched and non-believer.

Sunday School enrollment in our churches is (*choose: up or down*) for the church year. We must maintain a strong and continuing commitment to reach and enroll the lost for Bible study. This commitment means accepting responsibility for all of the unreached people in our communities. Reaching people must be our priority. We need your involvement to make next year a banner year in Sunday School.

I would like to thank our team members who have worked so hard for your churches. They are your Associational Sunday School Leadership Team. They volunteer their time to help improve the Sunday Schools in our association. If we can be of help to you, please call on us anytime.

Special thanks go to our Associational Missionary. We could not have done our work without him. He is a valuable member of our team!

Please let us know how we can help you!

Respectfully submitted,

Associational Sunday School Director
