- Provided 86,681 days of care for children in need
- Served 2,561 individuals through Pathways Professional Counseling

In addition to these accomplishments, our 2024 Camp of Champions was the highest-attended camp we have ever had! At the 2024 Camp of Champions held at Shocco Springs, we saw:

- 1,088 total attendees
- 454 kids
- 322 foster parents
- 224 volunteers
- 88 staff members
- Gospel seeds planted in the heart of each camper and 35 children who made spiritual decisions!**

Thank you for your support, prayers, and partnerships as we seek to serve families in need throughout our state.

When you support ABCH, you are supporting generational hope and healing. Many children who come into our care come from a long line of generational heartache with abuse, neglect, or substance abuse. With your support, we can provide things like counseling, a Christian home, loving foster parents, food, clothing, tutoring, and medical care. Most importantly, your support helps plant seeds of faith, guiding these children toward healing and breaking generational cycles. Helping one child today means creating a better future for generations to come. Would you come alongside these vulnerable children? Together, we can protect Alabama kids!
